At G.F Bridal Couture, our goal is to help you find the dress that embodies the perfect you!

G.F Bridal Couture offers South Africans the latest collection of imported haute couture, limited edition bridal gowns and a wide range of accessories to complete your perfect ensemble.

In our store you will be able to view and try on gowns with the assistance of a personal consultant, who will guide you through the entire process – from your first visit, to your final fitting and dress collection.

You will be assigned a personal seamstress to carry out alterations and finishing touches on your perfect gown, thus ensuring your dream day is all that it should be.

Every member of our G.F team is passionate about what they do, and are truly committed to making each and every bride feel as special and unique as she is.

As women are, we love to see and feel something before we purchase it. G.F Bridal Couture is unique to other bridal houses, in that we do not work on a catalogue order system. Instead, the dress you try on in store is the dress you will get married in, hence no unexpected surprises and no stressful time delays. With G.F Bridal Couture, you know exactly what you are purchasing.

G.F Bridal Couture wishes you well in the joyous planning of your wedding dreams, happiness and prosperity for the future, may you have the perfect wedding day, and may we be a part of it!
